A photograph of a pumpkin patch on a cloudy day. Numerous orange pumpkins are scattered across a grassy field. Several people are present: a person in the foreground wears a red and white patterned beanie and a dark jacket, carrying two pumpkins; another person in a dark jacket and boots is in the middle ground; and others are visible in the background near wooden crates filled with pumpkins. The text 'GLEANNING NETWORK EU' is overlaid in large, bright green, sans-serif capital letters.
