Food Waste Prevention in the Austrian Federal Waste Management Plans 2011 and 2017

Hubert Reisinger, FUSIONS Workshop, 25.02.2016, Vienna

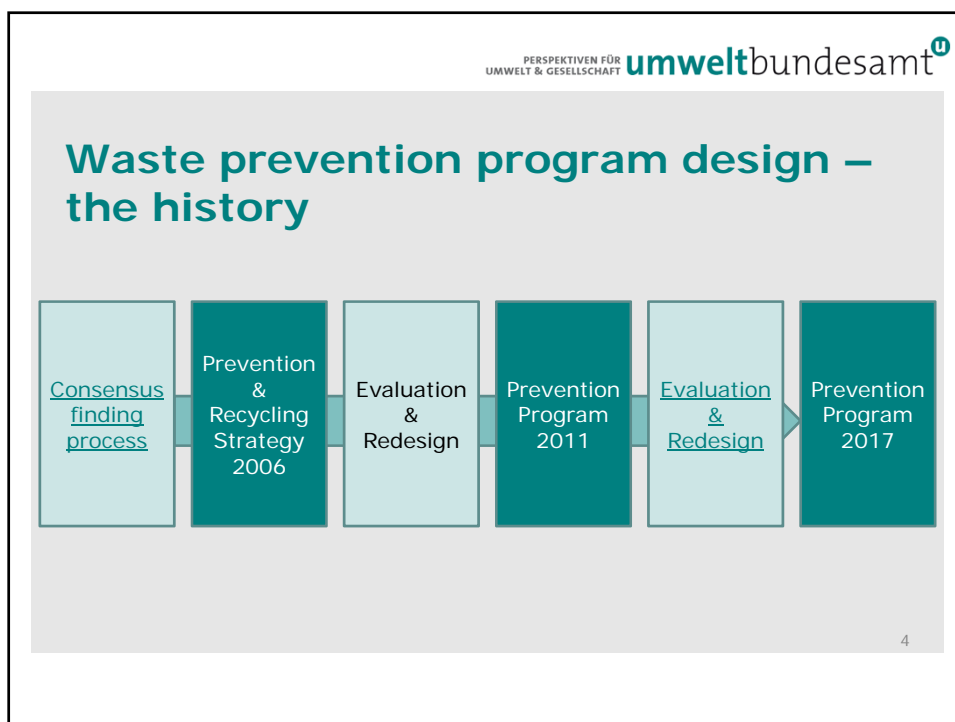

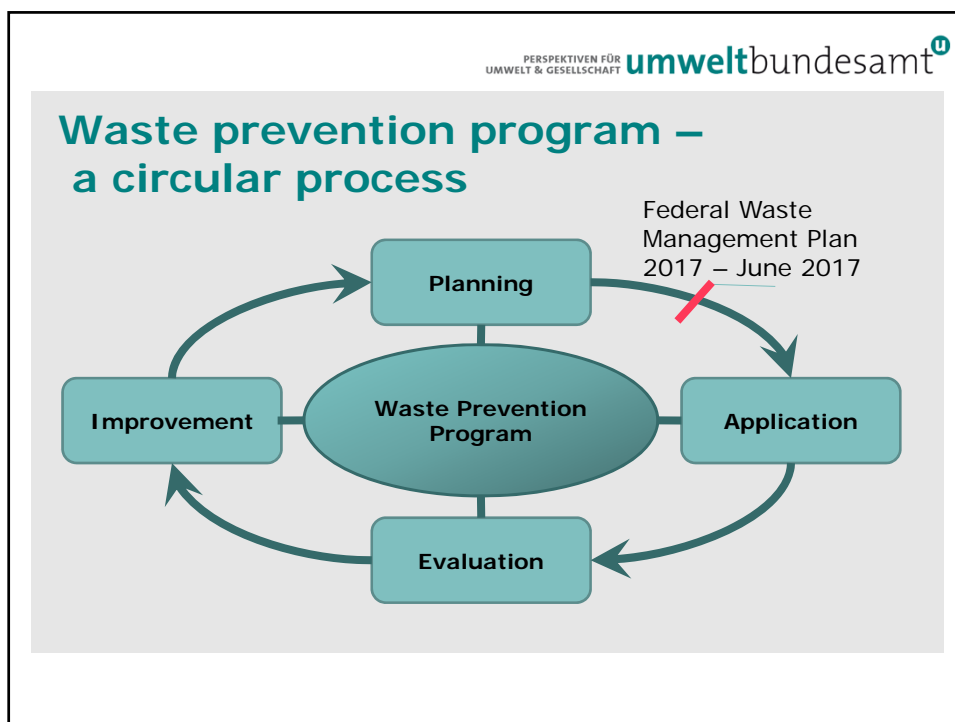

1

PERSPEKTIVEN FÜR UMWELT & GESELLSCHAFT **umweltbundesamt**^U

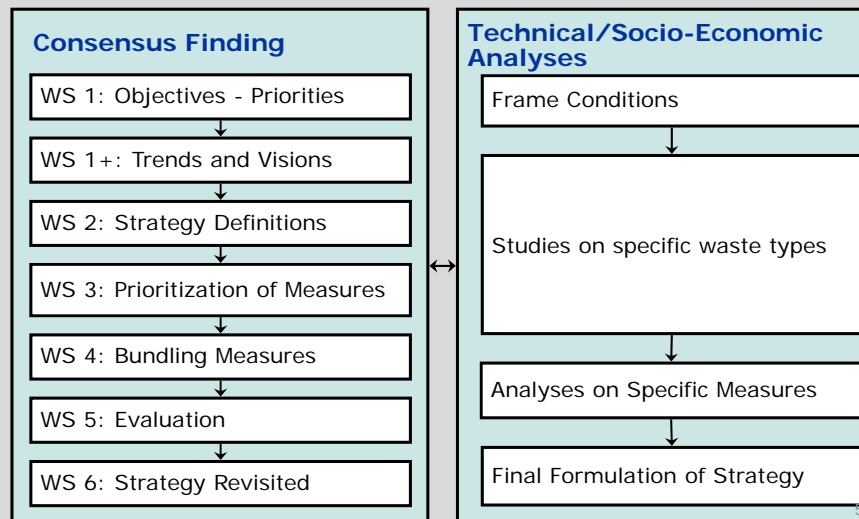

Contents

- Waste prevention program design
- Food waste prevention activities

2

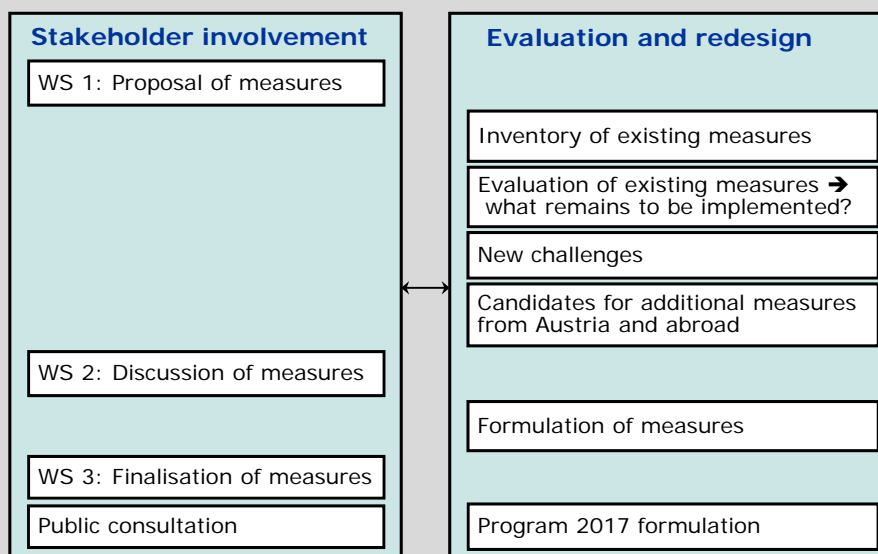

Consensus finding process

Note: WS = Workshop

From program 2011 to program 2017

Prevention program - Fields of activities

Waste prevention program
Prevention in building sector
Prevention in enterprises
Prevention in households
Food waste prevention
Re-Use

7

Field of activity „food waste prevention“

- Activities along the whole value chain of food by all stakeholders (e.g. United Against Waste with large kitchens)
- Partly initiated/coordinated by federal or regional government, funding
 - Research and studies (e.g. on food waste generation) and
 - guidelines (e.g. on distribution of surplus food)
- Core activities
 - „Food is Precious“ (Lebensmittel sind kostbar)
 - Food donations

8

„Food is Precious“ (Lebensmittel sind kostbar)

- Logo for use e.g. on cotton bags
- Food waste prevention information platform for private consumers and schools
<http://lebensmittel-sind-kostbar.at>
- Information campaign
- Competitions and Viktualia Award
- Leaflets

9

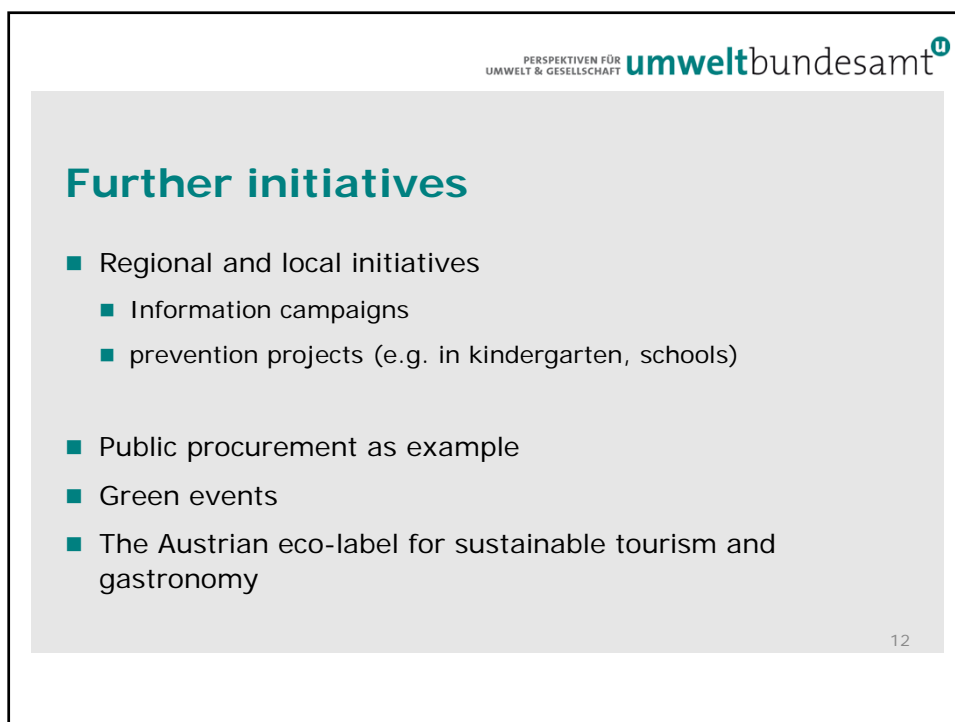

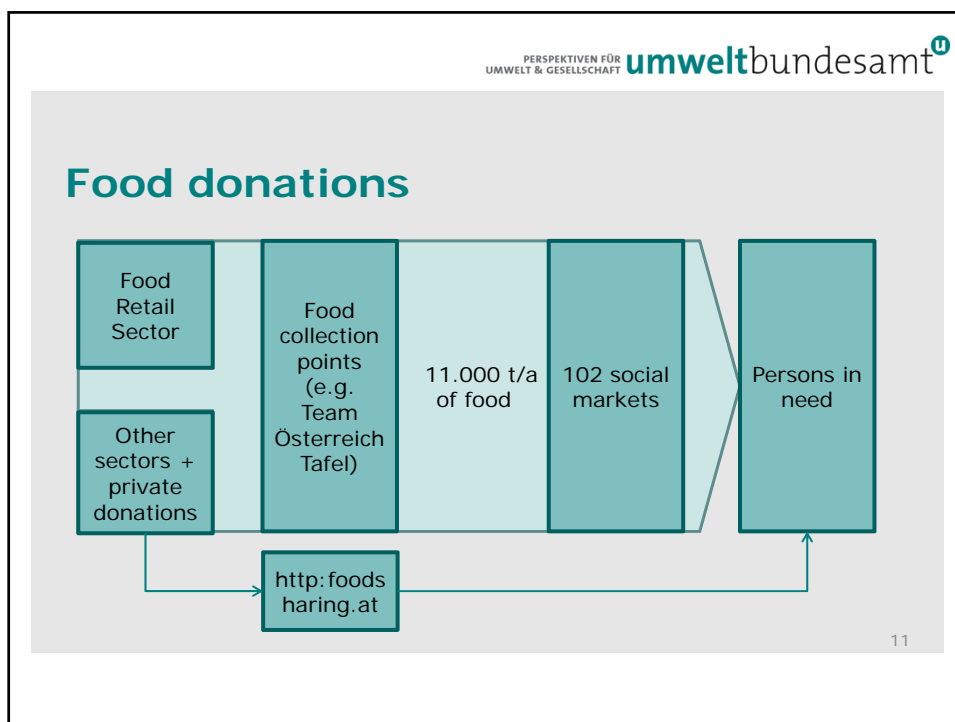

Schools (primary and secondary)

- Information
- Awareness raising
- Special projects

The collage includes several educational materials:

- LEBENSMITTEL IM MÜLL**: A leaflet titled 'Lebensmittel im Müll' with the subtitle 'Fragebogen' (Questionnaire). It contains text about food waste and a questionnaire for students.
- SHOPPING-GUIDE**: A leaflet titled 'Shopping-Guide' with the subtitle 'Anleitung zum Einkauf' (Guide to Shopping). It provides tips on how to shop responsibly.
- SAISON-KALENDER**: A circular seasonal calendar titled 'Saison-Kalender zum Braten' (Seasonal Calendar for Roasting). It shows various fruits and vegetables available throughout the year.
- Photos**: Three photographs showing children and adults engaged in food-related activities: a group of children sitting on the grass eating, a group of children sitting on the grass eating, and a man and a boy standing next to a refrigerator.
