# BUILDING ON FOODSAVE

GREATER **LONDON** AUTHORITY

## Sarah, Dragon Cafe

*“the beautiful social ecosystem that has been created around the Market's donation of free surplus to local charities”*

## Andrew Fishwick, Owner Truscott Arms

*Working on FoodSave was a great experience. We gained a detailed insight into our food waste and the tools to minimise it, boosting our GP and reducing our environmental impact*

## Mark Jarvis, The Bingham Head Chef

*“FoodSave really helped us focus on inventory waste. We now pay much closer attention to inventory checks and have made changes such as making bread in house. The project is extremely worthwhile to take part in”*
